About This Content

If you want to thank Composer of the game, it is a good opportunity for that.

All money from the OST will be sent to the Composer.

To have a cup of coffee... or tea, who knows his tastes?

For this you will get full Aborigenus OST. All tracks are made of natural recorded sounds. Don't expect from them high bitrate or meta-tags, though. Those tracks are true "underground".

Shaka-shaka!

List of tracks:

- 1-Menu song
- 2-Peaceful woods
- 3-Chicken Riders!
- 4-Desert
- 5-Steps in the nighe
